INDEX TO OBITUARY NOTICES AND DEATH ARTICLES IN THE ALBUQUERQUE JOURNAL FOR 1951

Albuquerque, New Mexico

Howard W. Henry, Editor

The format for this index was developed to cover the obituary notices and death articles appearing in the Albuquerque Journal for the year 1951. This is an index to the principals in the article and covers only those persons of either New Mexico origin or who died while in New Mexico. In other words, a death occurring in Texas or New York would be indexed only for those persons of New Mexico origin or residence. The death of a Texan or a Kansan, who died in New Mexico and reported in the newspaper, would not be indexed here.

The Albuquerque Journal contains a great deal of information about events all over the state of New Mexico, since it is the largest newspaper in the state. It often had sections pertaining to news of persons in different cities of the state. Be alert when searching as often a subject appeared in more than one article on a page. We attempted to indicate the multiple entries by adding the legend "page 2(x2)" to indicate on page two, there were two articles concerning the named person.

The researcher is advised that at the time of publication in 1951 the Albuquerque Journal was following the practice of numbering the paper straight through starting with page 1, and continued to the end of all the sections with that one series of numbers.

On December 20, on pages 1 and 18, there appears a list of New Mexicans who died up to that date in the Korean Conflict. The names are indexed with the regular work, but a separate compilation of this list is attached as Appendix 1.

The microfilm of the Albuquerque Journal is housed in the Main Library and at the Wyoming Branch in Albuquerque, New Mexico. It is also found in the Zimmerman Library at the University of New Mexico. Photocopies of news items may also be obtained from the Genealogy Club of Albuquerque. See the special publications section at the end of this book.

Appendix 1 to the 1951 Albuquerque Journal
Albuquerque, New Mexico
Korean War Dead

While reading and indexing the Albuquerque Journal for the year 1951, I discovered a listing appearing in December 20, 1951, on pages 1 and 18, of the New Mexico men killed in the Korean fighting through December 18, 1951. It didn't report whether they were all killed in action, or whether they may have been wounded and died later from those wounds.

I felt this listing might be of some importance or relevance to the genealogical researcher. Service records are available upon request from the National Personnel Center (Military Records) NARA, 9700 Page Boulevard, St. Louis, Missouri 63132. Forms for requesting service records may be obtainable from your local genealogical library or organization.
